MUSEUM PASS PROGRAM

Your participation in the Gardner's Museum Pass Program increases the opportunity for your patrons to have meaningful experiences with art through significant discounts on general admission tickets.

This membership allows libraries to purchase passes that provide up to four adults with \$5 admission per person—children under 18 are always free.

Our program offers flex passes, so more of your patrons will be able to access a pass on any given day, providing greater flexibility for pass reservations, and Museum visitation—bringing more value to your membership!

Give your patrons increased access to the Gardner Museum!

Membership Office Hours: Monday through Saturday, 10 AM - 5 PM
